## FREQUENTLY ASKED QUESTIONS

1. **Do I need to be fully vaccinated to attend?** *No. All activities are taking place outdoors, therefore proof of vaccination is not required. Masks are encouraged however.*
2. **Do I get a discount if I am a Museum member?** *Yes! Museum members (with active and valid membership cards) are eligible for a 50% discount on special events. You may present your membership card when purchasing tickets to receive the discount. Only 1 discounted ticket per Individual Membership, and up to 4 discounted tickets per Family Membership (2 adults, 2 children).*
3. **How are you keeping the event Covid-19 safe?** *We are implementing a one-way directional pathway that visitors must follow (outdoors). Groups will be separated along the path by volunteers. More volunteers will be stationed to sanitize high-traffic areas. The event will have a separate entrance and exit to ensure traffic flow*
4. **Is this event appropriate for young kids?** *Yes! During our Family-Friendly hours (5:00pm-7:00pm), the Museum will still be decorated for Halloween, but no scare tactics will be implemented until after 7:00pm. All of the interactive activities will be fun for all ages, but you know your kids best. If they are scared of ghosts or mild spooky elements, this event may not be fun for them.*
5. **What kind of activities are going to be offered?** *We are offering spooky ghost stories around the fire, ghost-themed games and crafts, a hot drink station, interactive living-history actors, and a large-scale Corn Maze quest. Some specialized food vendors will be present for more food options (not free with admission).*
6. **When should I arrive?** *We recommend arriving no later than 9:00pm to make sure that you experience all of the activities during the event. Depending on your pace, the entire experience should last between 1-2 hours.*
7. **Is the event wheelchair accessible?** *Unfortunately as the event takes place outside, we cannot guarantee a smooth path for wheelchairs.*
8. **Will washrooms be available?** *We recommend using the washroom before you arrive, as we cannot guarantee washroom access with current Covid-19 health requirements for indoor public spaces.*
9. **Where do I park?** *The Museum has two large parking lots available for use. The first parking lot is located to the left when you enter the main gate, and the overflow parking lot is on the right.*
10. **Can I get there without having to drive?** *We are not within walking distance to the City of Portage, but we are working on arranging a shuttle service for the event.*
